

Upper School STEM Teacher

Inspire curiosity. Illuminate truth. Make a Kingdom impact.

Portsmouth Christian Academy (PCA) in Dover, NH, is seeking a mission-driven Upper School Science Teacher to join our expanding STEM team.

Whether you're looking to teach one course or a full-time course load, this opportunity is ideal for a Christ-centered educator passionate about both scientific discovery and student discipleship. You'll be teaching bright, coachable students—many scoring in the top 10% nationally—on a beautiful, 70-acre riverside campus with access to real-world, hands-on learning (including our own dock and tidal river for Marine Biology). Whether your background is in physical sciences, life sciences, or applied technologies, this is your opportunity to be part of something remarkable.

At PCA, you'll find a vibrant academic environment where teachers are trusted, developed, and supported through our Professional Progression Program. Secondly, you'll find a calling, not just a job—where discipleship, academics and spiritual growth are woven together every day.

What You Could Teach:

- Chemistry (College Prep, Honors, AP)
- Biology (College Prep, Honors, AP)
- Physics
- Anatomy and Physiology
- Marine Biology
- Botany and Zoology
- Robotics or AP Computer Science A
- Algebra I, Algebra II, or Geometry (as needed)

What We're Looking For:

- A clear testimony of personal faith in Jesus Christ
- A heart for Christian education and student discipleship
- A bachelor's degree in a science or engineering field (master's preferred)
- Experience in the classroom; AP Chemistry or AP Biology teaching is a plus
- Ability to cultivate curiosity, critical thinking, and joy in learning
- A team mindset and desire to help build and strengthen PCA's science offerings

Maximizing God-given Potential

Compensation:

Full-time starting pay is \$40,000. Additional compensation may apply based on experience and education level.

About PCA:

Why PCA? Compared to other Christian schools, PCA offers very strong pay and benefits, a master professional development plan, and the chance to be part of a team that's building toward something bigger: shaping the next generation of Christian leaders with excellence and purpose.

With nearly 700 students from Preschool through Grade 12, we serve as a beacon of joyful excellence in northern New England.

Ready to Join the Mission?

If interested, please send your resume to humanresources@pcaschool.org

We look forward to seeing how your professional competence and educational philosophy align with PCA's mission: To honor God joyfully by inspiring students to maximize their God-given potential.
