What We Did Today

- Despite the truck breaking down en-route to deliver our tables and dishes, I am thrilled to share that our partners at Marshall's Rentals went above and beyond to ensure our delivery made it to the school by 11:00 AM. It truly was a testament to their commitment and efficiency; we are immensely grateful for their swift response. Praise God for their support!
- A heartfelt thank you to our outstanding crew of volunteers who arrived ahead of schedule and facilitated the smooth transition of all the [class gifts](#) from the Lower

School back lobby to the Gym Annex. Additionally, their assistance in organizing and moving the Silent Auction items was invaluable in ensuring everything is set up for success.

As we continue to prepare for the event and setup is underway, we kindly ask that you refrain from entering the venue just yet. However, mark your calendars because we are excited to invite you to come and **explore all the wonderful items in person on Friday, March 15, from 11:00 AM to 4:00 PM**. It promises to be an exciting opportunity to preview the incredible selection we have in store for our Auction attendees!

REMINDERS

Why Should I Pre-register?

Although check-in is required at this event, [pre-registering](#) will expedite the assignment of your bidder number and table assignment. In addition, it will allow you to enjoy the festivities and breakfast (for ticket holders) as soon as possible.

Where Do I Go on Auction Morning?

There are changes to our arrival and dismissal procedures beginning **THIS Thursday through Saturday**. Please review the [logistics](#) and expectations for our Auction event. We appreciate your cooperation in ensuring a smooth and enjoyable experience for all attendees.

Lower School Student Arrival on Saturday: Parents, Lower School students should not enter the Main Gym upon arrival on Auction morning. Instead, all Lower School students are to enter through the school's main lobby. Your cooperation in this matter is greatly appreciated.

What About the Items I Win at Auction?

All items won at the Auction must be removed from the premises at the end of Auction morning. This helps us prepare our school for our students' return on Monday morning, ensuring a seamless transition.

Please plan accordingly, if you are going to bid on any of the large items in our catalog. Bring a large enough vehicle, straps, and help to load your winnings on Auction morning.

We will see you at the Auction!

Warm Regards,
