

PORTSMOUTH CHRISTIAN ACADEMY

DOVER, NEW HAMPSHIRE

Upper School STEM Teacher

Position Summary

Portsmouth Christian Academy (PCA) is a large, nondenominational Christian school located in Dover, NH. PCA, located just minutes northwest of Portsmouth, NH on a nearly sixty-acre riverfront campus, is a dually accredited, independent, Christian, college-preparatory, day school for students in preschool through grade twelve seeking to maximize their God-given potential. PCA faculty and staff are unified in creating a caring, safe, Christ-focused learning environment where young people are challenged to thrive academically and grow as servant-leaders prepared to impact the world for good.

The Upper School STEM Teacher position requires state certification and the minimum of a bachelor's degree in education.

The Upper School STEM Teacher must possess a strong understanding of classroom management, adolescent development, age-appropriate characteristics, needs, and environmental factors that support healthy, respectful, and challenging learning environments. Classes taught would specifically include content in the areas of science, technology, engineering, and/or math.

To apply for this position, please complete a faculty application found on the Careers page of our website (pcaschool.org). For more information or to submit a completed application, please email humanresources@pcaschool.org
