

PORTSMOUTH CHRISTIAN ACADEMY

DOVER, NEW HAMPSHIRE

Upper School Science & Math Teachers

Position Summary

Portsmouth Christian Academy (PCA) is a large, nondenominational Christian school located in Dover, NH. PCA, located just minutes northwest of Portsmouth, NH on a nearly sixty-acre riverfront campus, is a dually accredited, independent, Christian, college-preparatory, day school for students in preschool through grade twelve seeking to maximize their God-given potential. PCA faculty and staff are unified in creating a caring, safe, Christ-focused learning environment where young people are challenged to thrive academically and grow as servant-leaders prepared to impact the world for good.

The Upper School Math/Science Teacher positions require either a state of ASCI certification and a minimum of a bachelor's degree in education or in a STEM field. Should a candidate not be state or ACSI certified it would be expected that either certificate be sought and received within two years of being hired.

Classes taught could include: Geometry, Physics and AP Physics, Computer Programming, Robotics, and AP Computer Science.

The Upper School Math/Science Teacher must possess a strong understanding of classroom management, adolescent development, age-appropriate characteristics, needs, and environmental factors that support healthy, respectful, and challenging learning environments.

To apply for this position, please complete a faculty application found on the Careers page of our website (pcaschool.org). For more information or to submit a completed application, please email humanresources@pcaschool.org
