

Upper School Part-Time Math Teacher

Inspire minds. Shape lives. Serve with purpose.

Portsmouth Christian Academy (PCA) in Dover, NH, is seeking a passionate and Christ-centered Upper School Math Teacher to join our growing STEM team. This part-time position teaching one or two courses is a unique opportunity to invest in high-achieving, coachable students—while helping rebuild and strengthen one of the most important departments in our Upper School.

At PCA, you'll find:

- Students who score in the top 5% nationally in Upper School Math, eager to learn and grow in both knowledge and faith.
- A vibrant academic environment where teachers are trusted, developed, and supported through our Professional Progression Program.
- A calling, not just a job—where discipleship, academic rigor, and spiritual growth are woven together every day.

What You'll Teach:

Courses may include:

- Algebra I, Algebra II
- Geometry
- Pre-Calculus
- AP Calculus AB or BC
- Statistics or electives, depending on experience

What We're Looking For:

- A clear testimony of personal faith in Jesus Christ
- A heart for Christian education and student discipleship
- A bachelor's degree in mathematics or a related field (master's preferred)
- Willingness to work toward certification if not currently holding one
- Strong communication, collaboration, and classroom leadership skills
- Experience teaching high school math with demonstrated ability to engage students and lead them to grow and learn

Why PCA? Compared to other Christian schools, PCA offers very strong pay and benefits, a professional development plan, and the chance to be part of a team that's building toward something bigger: shaping the next generation of Christian leaders with excellence and purpose. With nearly 700 students from Preschool through Grade 12, we serve as a beacon of joyful excellence in northern New England.

Ready to Join the Mission?

If you're an excellent educator who wants to make a Kingdom impact through math instruction and student mentorship, we invite you to apply.

If interested, please send your resume to humanresources@pcaschool.org. We look forward to seeing how your professional competence and educational philosophy align with PCA's mission: *To honor God joyfully by inspiring students to maximize their God-given potential.*
