

Before and Aftercare Program

Registration Deadline is Wednesday, August 26, at 11:59pm.

A \$25 late fee per family will apply to all late registrations.

Beforecare (7:15-7:45) takes place within each house (PCAP, Primary, Elementary, and Junior High). Students are to be dropped off at the designated House doors.

Aftercare (3:30-5:45) takes place within each house (PCAP, Primary, Elementary, and Junior High). Students enjoy recess outside when the weather is favorable and do homework, play games, and socialize in each house space. Parents will pick-up students in Aftercare from the designated House doors after communicating your arrival with the Aftercare staff. Parents will remain outside the building during pick-up. Please bring your driver's license and carpool number with you, as you may be asked to show it, for the safety of our students. Sign your child out from Aftercare with our staff.

NEW REGISTRATION and BILLING Information: Families interested in Beforecare and Aftercare services will need to preregister each quarter through the Kaleidoscope registration page. Pre-registration will allow PCA to staff each house appropriately for the number of students registered.

Pre-registration prices and options:

Beforecare 7:15-7:45 = \$3.50/day per student

Aftercare 3:30-4:30 = \$7/day per student **OR** 3:30-5:45 = \$14/day per student

Early Dismissal Aftercare on Friday, October 30 12:30-3:00 = \$17.50 **OR** 12:30-5:45 = \$35

While we anticipate providing *emergency* support for families in Beforecare and Aftercare, we will not be able to offer drop-in service. Please make plans to register for Beforecare and Aftercare at the beginning of each quarter. There is a surcharge for non-registered/emergency care and for anyone picked up *after* 5:45pm. The surcharge is \$10.00 for the first 10 minutes and then \$1.00 for every minute thereafter. Additionally, more than 3 late pick-ups (After 5:45pm) in a year could result in the loss of Aftercare options.

Please email Mrs. Karnes at jkarnes@pcaschool.org for any questions related to Beforecare and Aftercare.
