

Before and Aftercare Program

Registration Deadline is Wednesday, October 21, at 11:59pm.

A \$25 late fee per family will apply to all late registrations.

Beforecare (7:15-7:45) takes place within each house (PCAP, Primary, Elementary, and Junior High). Students are to be dropped off at the designated house doors.

Aftercare (3:30-5:45) takes place within each house (PCAP, Primary, Elementary, and Junior High). Students enjoy recess outside when the weather is favorable and do homework, play games, and socialize in each house space. Parents will pick up students in Aftercare from the designated house doors after communicating your arrival with the Aftercare staff. Parents will remain outside the building and in their vehicles during pick-up. Please bring your driver's license and carpool number with you, as you may be asked to show them, for the safety of our students.

NEW REGISTRATION and BILLING Information: Families interested in Beforecare and Aftercare services will need to preregister each month through the Kaleidoscope registration page for the following month. Pre-registration will allow PCA to staff each house appropriately for the number of students registered. **Therefore, no refunds will be issued for unused childcare and any changes to the pre-registered dates and times, to include those switched, added, or subtracted, will result in a \$25 administrative fee.**

Pre-registration prices and options:

Beforecare 7:15-7:45 = \$3.50/day per student

Aftercare 3:30-4:30 = \$7/day per student **OR** 3:30-5:45 = \$14/day per student

While we anticipate providing the rare *emergency* support for families in Beforecare and Aftercare, we will not be able to offer drop-in service. There is a surcharge for non-registered/emergency care and for anyone picked up *after* 5:45pm. The surcharge is \$10.00 for the first 10 minutes and then \$1.00 for every minute thereafter. Additionally, 3 late pick-ups (after 5:45pm) in a year could result in the loss of Aftercare privileges.

Please email Mrs. Karnes at jkarnes@pcaschool.org for any questions related to Beforecare and Aftercare.
