

PORTSMOUTH CHRISTIAN ACADEMY

— AT DOVER —

Technology Director

Position Summary

Portsmouth Christian Academy (PCA), located in Dover, NH, is the largest private independent Christian school in New England.

The Technology Director is responsible for the technology-related infrastructure of PCA. In coordination with the administration, the Technology Director is a leader in the school's initiatives in pursuit of the goal of integrating technology in both the administrative offices and the classrooms. Duties include planning, developing, directing, coordinating and maintaining all instructional and administrative IT systems, including; computer hardware, computer software, computer networking systems, photocopiers, and other technology-related items.

To apply for this position, please complete a staff application found on the employment page of our website (pcaschool.org). More information is available by emailing humanresources@pcaschool.org
