

2018-2019 PCA Lower School Dress Code

General Philosophy

We believe that a student's individuality is more properly expressed by what he or she does and believes than by what is worn. In short, the heart of the child is far more important than how one chooses to adorn one's body. Neatness, good grooming and modest fashions are appropriate in a school that encourages students to focus attention on more meaningful matters than the latest fashions. The purpose of this dress code is to offer the students several options of comfortable, attractive and reasonably priced clothing that will reflect well on the students and the school. We do not want extremes, and we do not want students testing the limits of the policy. The key to the dress code is the fit and style of the clothing. Variations from the required style are not acceptable. Our suggestion is to err on the side of conservative dress, hairstyle and clothing accessories. When in doubt, please ask the dress code question before the item in question is worn to school.

Concept

This dress code policy contains information concerning the acceptable styles, colors and combinations of clothing for males and females. Students are free to choose from several options contained on the clothing chart unless it is a "dress up" day (e.g., chapel, graduation, award ceremonies) or "casual" day (e.g., Spirit Week, certain field trips).

Dress code charts may also be accessed on PCA's website.

Policy Enforcement

The faculty and principals are the sole arbiters of the dress code policy. When students in grades kindergarten through eighth are determined to be in violation of the dress code, an email notification will be made home to inform the parent(s)/guardian(s) of the infraction. When three email notifications have been made, any future infractions will require the parent to bring to school the proper dress code. The student will remain out of class until determined to be in compliance with the dress code or until a satisfactory plan for compliance is in place. Continued noncompliance may result in more significant action. Suggestions or questions concerning the policy should be brought to the attention of the Assistant Principal.

It is impossible for a dress code to address each possible piece of clothing or adornment. The following is provided in an attempt to clarify what is acceptable dress code attire.

Where do I buy dress code clothing?

Land's End

(www.landsend.com/pp/SchoolSearch.html?action=landing&selectedSchoolNum=900027376) and JCPenney's (www.jcp.com) are the **only** approved school uniform vendors for PCA. Items may **not** be purchased elsewhere.

When going to the Land's End site, please enter your child's age and gender, no other identifying personal information is necessary.

"Boy's" or "Men's" sizes are acceptable.

"Girl's" or "Women's" sizes are acceptable.

When going to the JCP site, select "kids" or "juniors" sizing, "School Uniform" tab.

Changes to Dress Code for the 2018-2019 School Year

- ~ Shoes for chapel need to be in good condition, but do not need to be distinctively dress shoes.
- ~ Girls PE shorts need to extend past finger tips in length (no exceptions).
- ~ Cargo Pants are no longer allowed (Cargo shorts are still allowed).
- ~ Original Land's End crew neck sweaters will still be allowed for those who currently own them, but Land's End has stopped including them in their Uniform department.
