

Portsmouth Christian Academy

Driving / Transportation Permission

Students are allowed to drive to PCA with the permission of their parents. There are a limited number of parking spaces, and they will be allotted according to class with the seniors having priority. All vehicles are subject to search at any time by school officials. Students are reminded that driving privileges can be suspended or revoked entirely as stipulated in the Family Handbook. Speeding, reckless driving, and inappropriate behavior in the parking lot or en route to and from campus will not be tolerated and will result in the loss of driving privileges. Please see the Family Handbook for details on parking procedures.

Parking tags must be purchased for \$25.00 and hung on the mirror. The tag is easily removable and may be transferred to another family vehicle if necessary. Parking tags are valid for as long as the student attends PCA. Vehicles that do not have parking tags will be reported to Security.

To obtain a parking permit, please submit this completed application, a copy of the student's driver's license, and \$25.00 to the Upper School Main Office. Incomplete applications will not be considered for parking privileges.

I give my child permission to drive our personal vehicle to and from Portsmouth Christian Academy.
