

Prayers of  
**THANKSGIVING**  
for Our PCA  
Family

KA Gives Thanks

Thank you God  
for our world so good,  
Our country, America  
And it's neighborhood.

Thank you for  
our Christian school,  
Where we learn to live  
the Golden Rule.

Thank you for our families  
Who show us that they care;  
And for the many blessings  
You have given us to share.

KB's Poem

We're thankful for our mom and dad  
Our pets and family, they make us glad.

We're thankful for our school and friends  
School days are great and so are the weekends.

Most of all, we're thankful for God's love  
He is so good to us, we are so blessed from above.

## 1A The First Thanksgiving Feast

A long time ago, the Pilgrims came,  
They traveled on the Mayflower.  
From England to America they came,  
They crossed the ocean hour by hour.

When they arrived a feast they planned,  
They gathered berries and hunted turkey to eat.  
The Pilgrims celebrated finding the new land,  
They thanked God for fruit and meat.

## 1B We Are Thankful

We are thankful for our class  
and to learn about God, too.

We are thankful for our teachers  
and that we have paper, scissors and glue.

We're thankful for our lunches  
and our fantastic playground.  
We're thankful for our friends  
and even the Lost and Found.

We're thankful for PCA  
and everyone here.

We're thankful for math and reading  
so let's give a cheer!

and for the green grass!

Thank You, God,  
for the pretty flowers,  
for the twinkling stars,  
and for all the cute animals!

Thank You, God,

and for Jesus!

Thank You, God!

Thanksgiving Matters  
by 3A

Thanksgiving is about sharing,  
Having a thankful heart for family and friends.  
Thinking of others is very caring, God is our guide  
and his love never ends.

Loving each other is what we do,  
And following God to help us come through.  
Trials may come, but in Him we will trust,  
So walking with God is surely a must.

## 3B Thanking Jesus

We're thankful for Jesus, dying on the cross,  
for all of us.

Everything he does, big or small,  
miracles and all.

We love what Jesus has done,  
so many things under the sun.

We are thankful for Him every day,  
but especially on Thanksgiving Day!

Thank you, Jesus.

## We are Thankful by 4A

It is almost Thanksgiving at the end of November,  
which means it is time for us to remember,

The many things we are thankful for,  
especially God whom we adore.

We are thankful for brave soldiers who fight in war,  
to help our country keep our freedom forevermore.

For our caring family and friends,  
who will stick with us to the very end.

For our homes that keep us toasty warm,  
safe and sound from any raging storm.

We are thankful for the starry sky,  
and many magnificent birds that fly.

For the water that flows into crystal clear lakes,  
and snow that falls in tiny white flakes.

We are thankful for special sights,  
like giant super moons on clear fall nights.

For teachers who help us learn and grow bright,  
even though they give us homework every night.

We are thankful for books to read,  
that start to grow in us, a tiny learning seed.

For the Bible to teach of Jesus' light,  
and to help us to know and do what is right.

We are thankful to Jesus who died on the cross,  
so that our sin could be forgiven and lost.

We thank God for all these wonderful things,  
that to us all He graciously brings.

## Thanksgiving Poem by 4B

We are thankful for things, here in 4B  
like sports and friends and family.

Our families are loving, kind and sweet  
Especially grandparents who give us treats

Friends are the ones who help us through hard times  
They make us laugh and ease our minds

We are thankful for the roof over our head  
so we can be warm inside our bed

Our teacher helps us learn every day  
She helps us do our best in every way

We're thankful for all our school supplies  
because other kids don't have them in their lives

Sports are exciting and fun  
we're always sad when they are done

Books take us to all new places  
we go on adventures and solve new cases

We're thankful to God for all of these things  
and all the blessings that He brings.

5A A Thanksgiving Reflection

By Casey Brunson

Thanksgiving is a time to celebrate,  
Not turkey or stuffing or mashed potatoes though.  
It is a time to celebrate the Holy, all perfect one, God.

Because without Him there,  
Would be none of those things,  
No us, no food,  
Absolutely nothing would exist without him.

There are many things to be thankful for but,  
Sometimes we just don't realize it.

We can be thankful for family, for pets, for food,  
For this Earth, for life, for Jesus dying on the cross.

That's a big thing! He was dying for us!  
The sinners, the haters, the criminals!

There are so many reasons to be thankful.  
So Why not be?

## 5B is Grateful

We are grateful,  
Let us tell you all the ways ...  
the first is

for our faith in Christ.

We are grateful for His love,  
His forgiving all our sins

We're grateful for the Holy Spirit  
who lives within our hearts.

We are grateful for His mercy,  
His continual supply of grace

We're grateful that He knows  
everything we face.

We are grateful for the truth of His Word,  
keeping us on the trail of faith

We are grateful that we'll never know  
the full consequences of our sins.

Why is 5B so grateful?

We are unable to count all the ways ...  
but, for these we are grateful  
as we give God all our praise!

## 6A Is in a Thankful Mood

For starters we are thankful for water and food

For houses and our pet

So we do not fret

We are thankful for the Bible

That God could share his Word

And how he said it loud and clear

So that we may all hear

We are thankful for America

And that we are all free to live here

We are thankful for sports

Especially our basketball court

Finally we are thankful for our friends and family

That we may live joyfully.

## 6B Thanksgiving Poem

We're thankful for water to drink  
and energy to think.

We're grateful for pets that play  
and horses that eat hay.

For family with whom we stay  
and friends that won't betray.

We're happy for air that we breathe each hour  
and the food that we devour.

We're thankful for God who made us  
and Jesus who saved us.

We thank Him for this holiday,  
so we can bless Him while we pray.

We thank God in these many ways,  
and continue to praise Him every day!

## 7A Thanksgiving Poem

Thanksgiving is full of happiness and joy,  
For the mother, the father, the girl and the boy.

It's time to eat, so let's say grace,  
Don't worry about picking up the pace.

Don't be afraid to have some fun,  
Thanksgiving is a time for everyone.  
Make sure to share in lots of laughter,  
To praise God, and be blessed after.

So as you wrap up your Thanksgiving feast,  
Say a prayer of thanks, of love, of peace.

7B Thanksgiving Poem

Thankfulness is a passion,  
Thankfulness comes in many fashions.

We are thankful for education,  
and for no discrimination.

We are thankful for sports  
and for tennis courts.

We are thankful for the food we eat,  
and for people we meet.

We are thankful for pets,  
and the vets that keep our country safe.

But most of all,  
we are thankful for  
our faith which keeps us tall.

## 8A's Poem

Grass, trees, love and joy;  
Puns, fun, food and toys.  
Freedom of religion,  
Freedom of speech,  
Ziploc bags,  
And people who teach.  
We love our eyes, our noses, our ears,  
Chocolate and turkey and Cort's shaven beard.  
We love our homework; we love our grades.  
We love IIM's (JK, please give us all A's).

Thank you for sunshine and parents and school,  
For beaches and lakes and swimming pools.  
Thank you for providing us with necessary knowledge,  
and skills for life that will help us in college.  
Thank you for God and the Word He's provided;  
Heaven and earth - the worlds that collided.

8B Thanksgiving Poem:

and our families who care
